PROPOSAL 1
SHARE CAPITAL REDUCTION AND REORGANIZATION PROPOSAL

Proposed Share Capital Reduction and Reorganization

Subject to all requirements prescribed by sections 14, 14A and 14B of the Companies Act relating to share capital reductions being complied with (together, the “Share Capital Reduction and Reorganization”), the Board of the Company approved, and directed that there be submitted to the shareholders of the Company for approval, as a special resolution, the Share Capital Reduction and Reorganization, comprising the following steps:

- (i) **Share Capital Reduction:** the par value of each issued Class A ordinary share of a nominal or par value of US\$4.00 and each issued Class B ordinary share of a nominal or par value of US\$4.00 in the share capital of the Company be reduced to US\$0.0001 by cancelling US\$3.9999 of the paid-up capital on each issued share. Following the Share Capital Reduction, the amount deemed to be paid up on each issued share of the Company shall be US\$0.0001. The credit arising from the Share Capital Reduction shall be transferred to a distributable reserve account of the Company which may be utilized by the Company as the Board may deem fit and as permitted under the Companies Act, the Existing M&A and all relevant applicable laws, including, without limitation, eliminating or setting off any accumulated losses of the Company (if any) from time to time.
- (ii) **Share Sub-Division:** immediately following the Share Capital Reduction, (a) each authorized but unissued Class A ordinary share of a nominal or par value of US\$4.00 be subdivided into 40,000 Class A ordinary shares of a nominal or par value of US\$0.0001 each, and (b) each authorized but unissued Class B ordinary share of a nominal or par value of US\$4.00 be subdivided into 40,000 Class B ordinary shares of a nominal or par value of US\$0.0001 each.
- (iii) **Cancellation:** immediately following the Share Sub-Division, the authorized share capital of the Company be altered by the cancellation of such number of excess authorized but unissued Class A ordinary shares of a nominal or par value of US\$0.0001 each and authorized but unissued Class B ordinary shares of a nominal or par value of US\$0.0001 each as will result in the Company having authorized share capital of US\$1,000 divided into 9,000,000 Class A ordinary shares of a nominal or par value of US\$0.0001 each and 1,000,000 Class B ordinary shares of a nominal or par value of US\$0.0001 each.

Immediately following the Share Capital Reduction, the Share Sub-Division and the Cancellation, the authorized share capital of the Company shall be changed from US\$40,000,000 divided into 9,000,000 Class A ordinary shares of a nominal or par value of US\$4.00 each and 1,000,000 Class B ordinary shares of a nominal or par value of US\$4.00 each, to US\$1,000 divided into 9,000,000 Class A ordinary shares of a nominal or par value of US\$0.0001 each and 1,000,000 Class B ordinary shares of a nominal or par value of US\$0.0001 each.

In order for the Share Capital Reduction to proceed, the directors of the Company must make a solvency statement to the effect that a full enquiry into the Company’s affairs has been made and to the best of the directors’ knowledge and belief the Company will be able to pay its debts as they fall due in the ordinary course of business commencing on the date of the statement. The directors of the Company have confirmed that they have made a full enquiry into the affairs of the Company and have formed the opinion that the Company will be able to pay its debts as they fall due in the ordinary course of business.

The primary purpose of the Share Capital Reduction and Reorganization is to reduce the par value of each issued share to US\$0.0001, which will create a distributable reserve that may be applied, among other things, to eliminate or set off accumulated losses of the Company. The Share Sub-Division and Cancellation are necessary steps to rationalize the authorized but unissued share capital in preparation for the Share Capital Increase described in Proposal 2.

Subject to and immediately following the Share Capital Reduction and Reorganization becoming effective, the Board of the Company approved, and directed that there be submitted to the shareholders of the Company for approval, as an ordinary resolution, the increase of the authorized share capital of the Company from US\$1,000 divided into 9,000,000 Class A ordinary shares of a nominal or par value of US\$0.0001 each and 1,000,000 Class B ordinary shares of a nominal or par value of US\$0.0001 each, to US\$40,000,000 divided into 360,000,000,000 Class A ordinary shares of a nominal or par value of US\$0.0001 each and 40,000,000,000 Class B ordinary shares of a nominal or par value of US\$0.0001 each, by the creation of (i) 359,991,000,000 Class A ordinary shares of a nominal or par value of US\$0.0001 each, and (ii) 39,999,000,000 Class B ordinary shares of a nominal or par value of US\$0.0001 each.

The purpose of the Share Capital Increase is to provide the Company with a significantly larger pool of authorized but unissued shares, which will afford the Company greater flexibility to issue shares in connection with future equity financings, acquisitions, employee incentive arrangements and other corporate transactions, without the need to seek further shareholder approval for each such issuance (subject to applicable law and the rules of the Nasdaq Stock Market).

PROPOSAL 4
TO APPROVE THE SHARE CONSOLIDATION PROPOSAL

Proposed Share Consolidation

The Board approved, and directed that there be submitted to the shareholders of the Company for approval, as an ordinary resolution, (i) a share consolidation of the Company's issued and unissued class A ordinary shares and class B ordinary shares, at a ratio of not less than 1-for-5 and not more than 1-for-100 (the "Range"), with the final ratio to be set at a whole number within the Range to be determined by the Board in its sole discretion (the "Share Consolidation"), and the Board be authorized to implement such Share Consolidation at its sole discretion at any time prior to the three-year anniversary of the Extraordinary Meeting; and (ii) in respect of any and all fractional entitlements to the issued consolidated shares resulting from the Share Consolidation, if so determined by the Board in its sole discretion, the directors be and are hereby authorized to settle as they consider expedient any difficulty which arises in relation to the Share Consolidation, including but without prejudice to the generality of the foregoing capitalizing all or any part of any amount for the time being standing to the credit of any reserve or fund of the Company (including its share premium account and profit and loss account) whether or not the same is available for distribution and applying such sum in paying up unissued ordinary shares to be issued to shareholders of the Company to round up any fractions of ordinary shares issued to or registered in the name of such shareholders of the Company following or as a result of the Share Consolidation, and the Board be and is hereby authorized to do all other acts and things as the Board considers necessary or desirable for the purposes of the transactions contemplated by or giving effect to and implementing the Share Consolidation, including determining the final ratio and the effective date of Share Consolidation and instructing the registered office provider or transfer agent of the Company to complete the necessary corporate record(s) and make necessary filing(s) to reflect the Share Consolidation.

Effect of the Share Consolidation

The Share Consolidation will affect all shareholders uniformly and will have no effect on the proportionate holdings of any individual shareholder, with the exception of adjustments related to the treatment of fractional shares as described above. The Share Consolidation will not affect our obligation to publicly file financial and other information with the U.S. Securities and Exchange Commission (the "SEC"). In connection with the Share Consolidation, our CUSIP number will change. The Share Consolidation will not affect the total shareholders' equity on our balance sheet. The stated capital component will be reduced proportionately and the additional paid-in capital component will be increased with the amount by which the stated capital is reduced. All historic share and per share amounts in our financial statements and related footnotes will be adjusted accordingly for the Share Consolidation.

The Board has determined that it is in the best interests of the Company and its shareholders to effect the Share Consolidation as part of a broader recapitalization of the Company's share capital structure, which includes the Share Capital Reduction and Reorganization and the Share Capital Increase described in Proposals 1 and 2 above. The Share Consolidation is a necessary first step to facilitate the subsequent reduction of par value and the significant increase in the number of authorized shares, which will provide the Company with greater flexibility to issue shares in connection with future financings, acquisitions and other corporate transactions.

Reasons for the Share Consolidation

The Board deems it is of the best interests of the Company and its shareholders to complete the Share Consolidation so that it will be able to continue to meet the minimum bid price requirements set forth in Nasdaq Listing Rule 5550(a)(2).

In addition, the Board also believes that the increased market price of our Class A Ordinary Shares expected as a result of implementing the Share Consolidation could improve the marketability and liquidity of our Class A Ordinary Shares and may encourage interest and trading in our Class A ordinary shares. The Share Consolidation, if approved and effected, could allow a broader range of institutions to invest in our Class A Ordinary Shares (namely, funds that are prohibited from buying stock whose price is below a certain threshold), potentially increasing the trading volume and liquidity of our Class A Ordinary Shares. The Share Consolidation could help increase analyst and broker interest in the Class A Ordinary Shares, as their policies can discourage them from following or recommending companies with low stock prices. Because of the trading volatility often associated with low-priced stocks, many brokerage houses and institutional investors have internal policies and practices that either prohibit them from investing in

low-priced stocks or tend to discourage individual brokers from recommending low-priced stocks to their customers. Some of those policies and practices may make the processing of trades in low-priced stocks economically unattractive to brokers. Additionally, because brokers' commissions on low-priced stocks generally represent a higher percentage of the stock price than commissions on higher-priced stocks, a low average price per share of our Class A Ordinary Shares can result in individual shareholders paying transaction costs representing a higher percentage of their total share value than would be the case if the share price were higher.

Risks Associated with the Share Consolidation

We cannot predict whether the Share Consolidation will increase the market price for our Class A Ordinary Shares. The history of similar share consolidations for companies in like circumstances is varied, and the market price of our Class A Ordinary Shares will also be based on our performance and other factors, some of which are unrelated to the number of shares outstanding. Further, there are a number of risks associated with the Share Consolidation, including:

- (a) A share consolidation may leave certain shareholders with one or more "odd lots," depending on the final ratio selected by the Board.
- (b) The authorized but unissued shares of our Ordinary Shares could be issued by the Board without further shareholder approval, which could result in dilution to the current holders of our Ordinary Shares. This risk is particularly significant in the context of the Share Capital Increase described in Proposal 2, which, if approved, would substantially increase the number of authorized Class A Ordinary Shares and Class B Ordinary Shares available for issuance.
- (c) There can be no assurance that the Share Consolidation, at any ratio within the approved range, will result in compliance with Nasdaq continued listing requirements.

Book-Entry Shares

If the Share Consolidation is effected, shareholders who hold uncertificated shares (i.e., shares held in book-entry form and not represented by a physical share certificate), either as direct or beneficial owners, will have their holdings electronically adjusted automatically by our transfer agent (and, for beneficial owners, by their brokers or banks that hold in "street name" for their benefit, as the case may be) to give effect to the Share Consolidation. Shareholders who hold uncertificated shares as direct owners will be sent a statement of holding from our transfer agent that indicates the number of Ordinary Shares as adjusted to reflect the Share Consolidation owned in book-entry form.

Certificated Shares

As soon as practicable after the effective time of the Share Consolidation, shareholders will be notified that the Share Consolidation has been effected. We expect that our transfer agent will act as exchange agent for purposes of implementing the exchange of share certificates. Holders of pre-consolidation shares will be asked to surrender to the exchange agent certificates evidencing pre-consolidation shares in exchange for certificates evidencing post-consolidation shares in accordance with the procedures to be set forth in a letter of transmittal to be sent by us or our exchange agent. No new certificates will be issued to a shareholder until such shareholder has surrendered such shareholder's outstanding certificate(s) together with the properly completed and executed letter of transmittal to the exchange agent. Any pre-consolidation shares submitted for transfer, whether pursuant to a sale or other disposition, or otherwise, will automatically be exchanged for Ordinary Shares as adjusted to reflect the Share Consolidation.

SHAREHOLDERS SHOULD NOT DESTROY ANY SHARE CERTIFICATE(S) AND SHOULD NOT SUBMIT ANY CERTIFICATE(S) UNTIL REQUESTED TO DO SO.

Material United States Federal Income Tax Consequences of the Share Consolidation

Each shareholder should consult its tax advisor as to the particular facts and circumstances which may be unique to such shareholder and also as to any estate, gift, state, local or foreign tax considerations arising out of the Share Consolidation.

Interests of Directors and Executive Officers

Our directors and executive officers have no substantial interests, directly or indirectly, in the matters set forth in this proposal except to the extent of their ownership of shares of our Ordinary Shares.

Effectiveness of the Share Consolidation

If the Share Consolidation Proposal is adopted, the Board will be authorized, but not obligated, to effect the Share Consolidation at any time prior to the three-year anniversary of the Extraordinary Meeting. Filing with the Registrar of Companies of the Cayman Islands in accordance with the Companies Act would follow.

Full Text of the Resolution

THE BOARD OF DIRECTORS RECOMMENDS A VOTE “FOR” PROPOSAL 4, TO APPROVE THE SHARE CONSOLIDATION PROPOSAL AS DESCRIBED IN THIS PROPOSAL 4.

PROPOSAL 5
FIFTH AMENDED M&A PROPOSAL

Proposed Adoption of the Fifth Amended M&A

The Board has determined it advisable, subject to the approval and implementation of the Share Consolidation, and entirely conditional upon the implementation of the Share Consolidation with the exact consolidation ratio and the effective date of the Share Consolidation as determined by the Board, and is recommending that the shareholders pass a special resolution to approve and adopt the Fifth Amended and Restated Memorandum and Articles of Association of the Company (a copy of which is attached to this proxy statement as Appendix B) (the “Fifth Amended M&A”), to (i) reflect the Share Consolidation, so long as it is implemented prior to the three-year anniversary of the Extraordinary Meeting and to (ii) authorize the Company’s registered office provider to make any necessary filing with the Cayman Registrar in connection with the adoption of the Fifth Amended M&A and authorize the Board to take all further actions and execute all further documents as may be necessary or advisable to carry out the intent of these resolutions.

The Fifth Amended M&A will become effective upon the implementation of the Share Consolidation with the exact consolidation ratio and the effective date of the Share Consolidation as determined by the Board. Filing of the final Fifth Amended M&A with the Registrar of Companies of the Cayman Islands in accordance with the Companies Act would follow.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE “FOR” PROPOSAL 5, TO APPROVE THE FIFTH AMENDED M&A PROPOSAL AS DESCRIBED IN THIS PROPOSAL 5.

**PROPOSAL 6
TO APPROVE THE SHARE ISSUANCE PROPOSAL**

Proposed Class B Ordinary Share Issuance

The Board approved, and directed that there be submitted to the shareholders of the Company for approval, subject to the Share Capital Reduction and Reorganization and the Share Capital Increase becoming effective, to issue and allot 500,000 Class B ordinary shares of a nominal or par value of US\$0.0001 each in the share capital of the Company to Qirui Dou for an aggregate consideration of US\$500,000.00 (the Share Issuance), credited as fully paid.

The Board believes that the issuance of Class B Ordinary Shares to Qirui Dou is prudent because such issuance will enable the Company to preserve corporate stability and management continuity as the Company is undertaking, or prepares for in the future, significant equity financings and potential strategic transactions.

Mr. Qirui Dou has served as our chief executive officer and director since November 2025. Mr. Dou has professional experience in legal consulting and financial management. Since November 2021, he has been working as an independent legal consultant focusing on corporate governance and economic-related cases. From November 2016 to October 2021, he served as General Manager at Suzhou Shanyi Investment Management Co., Ltd., leading financing activities and product team management. Earlier, from May 2010 to August 2016, he worked at China Life Insurance's Suzhou Branch, where he oversaw the wealth management center. He received a master's degree in Business Administration (International Finance) from Shanghai University in June, 2013, and a bachelor's degree in Food Science and Engineering from Chongqing Technology and Business University completed in June, 2006.

The issuance of Class B Ordinary Shares will enable Mr. Qirui Dou to maintain visionary leadership and continue executing the Company's long-term strategy, even in the face of potential dilution resulting from equity or equity-linked financings. In addition, the issuance of Class B Ordinary Shares with enhanced voting power will provide the Company with greater flexibility to pursue future capital raising opportunities without the risk of triggering a change of control or the unintended erosion of leadership authority that could adversely affect the Company's growth.

Further, notwithstanding Articles 19 and 20 above, the rights of the holders of Class A Ordinary Shares shall not be deemed varied by the creation or issue of shares with preferred or other rights, which may be effected by the Directors as provided in these Articles without any vote or consent of the holders of Class A Ordinary Shares.

COMMISSION ON SALE OF SHARES

22. The Company may in so far as the Statutes from time to time permit pay a commission to any person in consideration of his subscribing or agreeing to subscribe whether absolutely or conditionally for any shares of the Company. The Company may also on any issue of shares pay such brokerage as may be lawful.

NON-RECOGNITION OF TRUSTS

23. No person shall be recognised by the Company as holding any share upon any trust and the Company shall not be bound by or be compelled in any way to recognise (even when having notice thereof) any equitable, contingent, future, or partial interest in any share, or any interest in any fractional part of a share, or (except only as is otherwise provided by these Articles or the Statutes) any other rights in respect of any share except an absolute right to the entirety thereof in the registered holder.

LIEN ON SHARES

24. The Company shall have a first and paramount lien and charge on all shares (whether fully paid-up or not) registered in the name of a Member (whether solely or jointly with others) for all debts, liabilities or engagements to or with the Company (whether presently payable or not) by such Member or his estate, either alone or jointly with any other person, whether a Member or not, but the Directors may at any time declare any share to be wholly or in part exempt from the provisions of this Article. The registration of a transfer of any such share shall operate as a waiver of the Company's lien (if any) thereon. The Company's lien (if any) on a share shall extend to all dividends or other monies payable in respect thereof.

25. The Company may sell, in such manner as the Directors think fit, any shares on which the Company has a lien, but no sale shall be made unless some sum in respect of which the lien exists is presently payable nor until the expiration of 14 calendar days after a notice in writing, stating and demanding payment of such part of the amount in respect of which the lien exists as is presently payable, has been given to the registered holder for the time being of the share, or the persons entitled thereto by reason of his death or bankruptcy.
26. For giving effect to any such sale the Directors may authorise some person to transfer the shares sold to the purchaser thereof. The purchaser shall be registered as the holder of the shares comprised in any such transfer and he shall not be bound to see to the application of the purchase money, nor shall his title to the shares be affected by any irregularity or invalidity in the proceedings in reference to the sale.
27. The proceeds of the sale shall be received by the Company and applied in payment of such part of the amount in respect of which the lien exists as is presently payable, and the residue shall (subject to a like lien for sums not presently payable as existed upon the shares prior to the sale) be paid to the person entitled to the shares at the date of the sale.

CALLS ON SHARES

28. The Directors may from time to time make calls upon the Members in respect of any money unpaid on their shares, and each member shall (subject to receiving at least 14 calendar days notice specifying the time or times of payment) pay to the Company at the time or times so specified the amount called on his shares. A call shall be deemed to have been made at the time when the resolution of the Directors authorising such call was passed.
29. The joint holders of a share shall be jointly and severally liable to pay calls in respect thereof.
30. If a sum called in respect of a share is not paid before or on the day appointed for payment thereof, the person from whom the sum is due shall pay interest upon the sum at the rate of eight percent per annum from the day appointed for the payment thereof to the time of the actual payment, but the Directors shall be at liberty to waive payment of that interest wholly or in part.
31. The provisions of these Articles as to the liability of joint holders and as to payment of interest shall apply in the case of non-payment of any sum which, by the terms of issue of a share, becomes payable at a fixed time, whether on account of the amount of the share, or by way of premium, as if the same had become payable by virtue of a call duly made and notified.
32. The Directors may make arrangements on the issue of shares for a difference between the Members, or the particular shares, in the amount of calls to be paid and in the times of payment.
33. The Directors may, if they think fit, receive from any member willing to advance the same all or any part of the moneys uncalled and unpaid upon any shares held by him, and upon all or any of the moneys so advanced may (until the same would, but for such advance, become presently payable) pay interest at such rate (not exceeding without the sanction of an Ordinary Resolution, eight percent. per annum) as may be agreed upon between the Member paying the sum in advance and the Directors. No such sum paid in advance of calls shall entitle the member paying such sum to any portion of a dividend declared in respect of any period prior to the date upon which such sum would, but for such payment, become presently payable.

FORFEITURE OF SHARES

34. If a Member fails to pay any call or instalment of a call on the day appointed for payment thereof, the Directors may, at any time thereafter during such time as any part of such call or instalment remains unpaid, serve a notice on him requiring payment of such much of the call or instalment as is unpaid, together with any interest which may have accrued.
35. The notice shall name a further day (not earlier than the expiration of 14 calendar days from the date of the notice) on or before which the payment required by the notice is to be made, and shall state that in the event of non-payment at or before the time appointed the shares in respect of which the call was made will be liable to be forfeited.

36. If the requirements of any such notice as aforesaid are not complied with, any share in respect of which the notice has been given may at any time thereafter, before the payment required by notice has been made, be forfeited by a resolution of the Directors to that effect.
37. A forfeited share may be sold or otherwise disposed of on such terms and in such manner as the Directors think fit, and at any time before a sale or disposition the forfeiture may be cancelled on such terms as the Directors think fit.
38. A person whose shares have been forfeited shall cease to be a Member in respect of the forfeited shares, but shall, notwithstanding, remain liable to pay to the Company all moneys which at the date of forfeiture were payable by him to the Company in respect of the shares, but his liability shall cease if and when the Company receives payment in full of the fully paid up amount of the shares.
39. A statutory declaration in writing that the declarant is a Director of the Company, and that a share in the Company has been duly forfeited on a date stated in the declaration, shall be conclusive evidence of the facts therein stated as against all persons claiming to be entitled to the share. The Company may receive the consideration, if any, given for the share or any sale or disposition thereof and may execute a transfer of the share in favour of the person to whom the share is sold or disposed of and he shall thereupon be registered as the holder of the share, and shall not be bound to see to the application of the purchase money, if any, nor shall his title to the share be affected by any irregularity or invalidity in the proceedings in reference to the forfeiture, sale or disposal of the share.
40. The provisions of these Articles as to forfeiture shall apply in the case of non-payment of any sum which by the terms of issue of a share becomes due and payable, whether on account of the amount of the share, or by way of premium, as if the same had been payable by virtue of a call duly made and notified.

In the case of a share registered in the name of two or more holders, the survivors or survivor, or the legal personal representatives of the deceased survivor, shall be the only person recognised by the Company as having any title to the share.
43. Any person becoming entitled to a share in consequence of the death or bankruptcy of a Member shall upon such evidence being produced as may from time to time be properly required by the Directors, have the right either to be registered as a member in respect of the share or, instead of being registered himself, to make such transfer of the share as the deceased or bankrupt person could have made. If the person so becoming entitled shall elect to be registered himself as holder he shall deliver or send to the Company a notice in writing signed by him stating that he so elects.
44. A person becoming entitled to a share by reason of the death or bankruptcy of the holder shall be entitled to the same dividends and other advantages to which he would be entitled if he were the registered holder of the share, except that he shall not, before being registered as a Member in respect of the share, be entitled in respect of it to exercise any right conferred by membership in relation to meetings of the Company, provided however, that the Directors may at any time give notice requiring any such person to elect either to be registered himself or to transfer the share, and if the notice is not complied with within 90 calendar days, the Directors may thereafter withhold payment of all dividends, bonuses or other monies payable in respect of the share until the requirements of the notice have been complied with.

ALTERATION OF CAPITAL

45. Subject to these Articles, the Company may from time to time by Ordinary Resolution increase the share capital by such sum, to be divided into shares of such classes and amount, as the resolution shall prescribe.

46. Subject to these Articles, the Company may by Ordinary Resolution:
- (a) consolidate and divide all or any of its share capital into shares of larger amount than its existing shares;
 - (b) sub-divide its existing shares, or any of them into shares of a smaller amount provided that in the subdivision the proportion between the amount paid and the amount, if any unpaid on each reduced share shall be the same as it was in case of the share from which the reduced share is derived;

47. The Company may by Special Resolution reduce its share capital and any capital redemption reserve in any manner authorized by law.
48. All new shares created hereunder shall be subject to the same provisions with reference to the payment of calls, liens, transfer, transmission, forfeiture and otherwise as the shares in the original share capital.

49. For the purpose of determining those Members that are entitled to receive notice of, attend or vote at any meeting of Members or any adjournment thereof, or those Members that are entitled to receive payment of any dividend, or in order to make a determination as to who is a Member for any other purpose, the Directors may provide that the Register of Members shall be closed for transfers for a stated period but not to exceed in any case 30 calendar days. If the Register of Members shall be so closed for the purpose of determining those Members that are entitled to receive notice of, attend or vote at a meeting of Members such register shall be so closed for at least 10 calendar days immediately preceding such meeting and the record date for such determination shall be the date of the closure of the Register of Members.

51. If the Register of Members is not so closed and no record date is fixed for the determination of those Members entitled to receive notice of, attend or vote at a meeting of Members or those Members that are entitled to receive payment of a dividend, the date on which notice of the meeting is posted or the date on which the resolution of the Directors declaring such dividend is adopted, as the case may be, shall be the record date for such determination of Members. When a determination of those Members that are entitled to receive notice of, attend or vote at a meeting of Members has been made as provided in this section, such determination shall apply to any adjournment thereof.

GENERAL MEETINGS

52. All general meetings of the Company other than annual general meetings shall be called extraordinary general meetings.

- (d) If the Directors do not within 21 calendar days from the date of the deposit of the requisition duly proceed to convene a general meeting to be held within a further 21 calendar days, the requisitionists, or any of them representing more than one half of the total voting rights of all of them, may themselves convene a general meeting, but any meeting so convened shall not be held after the expiration of three months after the expiration of the second said 21 calendar days.
- (e) A general meeting convened as aforesaid by requisitionists shall be convened in the same manner as nearly as possible as that in which general meetings are to be convened by Directors.

NOTICE OF GENERAL MEETINGS

- 55. At least five (5) calendar days' notice shall be given for any general meeting. Every notice shall be exclusive of the day on which it is given or deemed to be given and of the day for which it is given and shall specify (a) the time of the meeting, (b) save for a virtual meeting, the place of the meeting, (c) if the general meeting is to be a hybrid meeting or a virtual meeting, the notice shall include a statement to that effect and with details of the electronic facilities for attendance and participation by electronic means at the meeting or where such details will be made available by the Company prior to the meeting, and (d) the general nature of the business and shall be given in the manner hereinafter mentioned or in such other manner if any as may be prescribed by the Company, provided that a general meeting of the Company shall, whether or not the notice specified in this regulation has been given and whether or not the provisions of Articles regarding general meetings have been complied with, be deemed to have been duly convened if it is so agreed by the Members (or their proxies) having a right to attend and vote at the meeting, together holding not less than fifty (50%) per cent in par value of the shares giving that right.
- 56. The accidental omission to give notice of a meeting to or the non-receipt of a notice of a meeting by any Member shall not invalidate the proceedings at any meeting.

PROCEEDINGS AT GENERAL MEETINGS

- 57. No business shall be transacted at any general meeting unless a quorum of Members is present at the time when the meeting proceeds to business. Members holding not less than an aggregate of one-tenth of all voting share capital of the Company in issue present in person (whether physically or by virtual attendance with the use of electronic facilities) or by proxy and entitled to vote shall be a quorum for all purposes.
- 58. A general meeting may be held as a physical meeting at such place as may be determined by the Directors, or as a virtual meeting where members attend and participate by means of electronic facilities, or as a hybrid meeting which combines a physical meeting at a place with attendance and participation by electronic facilities. The Directors may determine the means of attendance and participation, including the electronic facilities to be used, and shall ensure that members have a reasonable opportunity to participate and vote at the meeting. A member participating in a meeting by electronic facilities shall be deemed to be present at the meeting for all purposes of these Articles.
- 59. Without prejudice to the generality of the foregoing, a person may participate at a general meeting by conference telephone or other communications equipment by means of which all the persons participating in the meeting can communicate with each other. Participation by a person in a general meeting in this manner is treated as presence in person at that meeting.
- 60. If within half an hour from the time appointed for the meeting a quorum is not present, the meeting, if convened upon the requisition of Members, shall be dissolved. In any other case it shall stand adjourned to the same day in the next week, at the same time and place, and if at the adjourned meeting a quorum is not present within half an hour from the time appointed for the meeting, the meeting shall be dissolved.

61. The Chairman of the Board of Directors shall preside as chairman at every general meeting of the Company.
62. If at any meeting the Chairman of the Board of Directors is not present within fifteen minutes after the time appointed for holding the meeting or is unwilling to act as chairman, the Members present shall choose a chairman of the meeting.
63. The Chairman may with the consent of any meeting at which a quorum is present (and shall if so directed by the meeting) adjourn a meeting from time to time and from place to place, but no business shall be transacted at any adjourned meeting other than the business left unfinished at the meeting from which the adjournment took place. When a meeting is adjourned for 10 calendar days or more, not less than seven Business Days' notice of the adjourned meeting shall be given as in the case of an original meeting. Save as aforesaid it shall not be necessary to give any notice of an adjournment or of the business to be transacted at an adjourned meeting.
64. At any general meeting a resolution put to the vote of the meeting shall be decided on a show of hands, unless a poll is (before or on the declaration of the result of the show of hands) demanded by one or more Members present in person (whether physically or by virtual attendance with the use of electronic facilities) or by proxy entitled to vote and who together hold not less than 10 per cent of the paid up voting share capital of the Company, and unless a poll is so demanded, a declaration by the chairman that a resolution has, on a show of hands, been carried, or carried unanimously, or by a particular majority, or lost, and an entry to that effect in the book of the proceedings of the Company, shall be conclusive evidence of the fact, without proof of the number or proportion of the votes recorded in favour of, or against, that resolution.
65. If a poll is duly demanded it shall be taken in such manner as the chairman directs, and the result of the poll shall be deemed to be the resolution of the meeting at which the poll was demanded. The demand for a poll may be withdrawn.
66. In the case of an equality of votes, whether on a show of hands or on a poll, the chairman of the meeting at which the show of hands takes place or at which the poll is demanded, shall be entitled to a second or casting vote.
67. A poll demanded on the election of a chairman or on a question of adjournment shall be taken forthwith. A poll demanded on any other question shall be taken at such time as the chairman of the meeting directs.

VOTES OF MEMBERS

68. Subject to any rights and restrictions for the time being attached to any class or classes of shares, every Member present in person (whether physically or by virtual attendance with the use of electronic facilities) and every person representing a Member by proxy at a general meeting of the Company shall have one vote for each share registered in his name in the Register of Members.
69. In the case of joint holders the vote of the senior who tenders a vote whether in person (whether physically or by virtual attendance with the use of electronic facilities) or by proxy shall be accepted to the exclusion of the votes of the joint holders and for this purpose seniority shall be determined by the order in which the names stand in the Register of Members.
70. A Member of unsound mind, or in respect of whom an order has been made by any court having jurisdiction in lunacy, may vote, whether on a show of hands or on a poll, by his committee, or other person in the nature of a committee appointed by that court, and any such committee or other person, may on a poll, vote by proxy.
71. No Member shall be entitled to vote at any general meeting unless all calls or other sums presently payable by him in respect of shares in the Company have been paid.
72. On a poll, votes may be given either personally or by proxy.
73. The instrument appointing a proxy shall be in writing under the hand of the appointor or of his attorney duly authorized in writing or, if the appointor is a corporation, either under seal or under the hand of an officer or attorney duly authorized. A proxy need not be a Member of the Company.

74. An instrument appointing a proxy may be in any usual or common form or such other form as the Directors may approve.
75. The instrument appointing a proxy shall be deemed to confer authority to demand or join in demanding a poll.
76. A resolution in writing signed by all the Members for the time being entitled to receive notice of and to attend and vote at general meetings (or being corporations by their duly authorized representatives) shall be as valid and effective as if the same had been passed at a general meeting of the Company duly convened and held.

20. The provisions of these Articles relating to general meetings shall apply to every such general meeting of the holders of one class of shares except that the necessary quorum shall be one person holding or representing by proxy at least one-third of the issued shares of the class and that any holder of shares of the class present in person (whether physically or by virtual attendance with the use of electronic facilities) or by proxy may demand a poll.
21. Notwithstanding Articles 19 and 20 above, the rights conferred upon the holders of the shares of any class issued with preferred or other rights shall not, unless otherwise expressly provided by the terms of issue of the shares of that class, be deemed to be varied by the creation or issue of further shares ranking in priority to or pari passu therewith. Further, notwithstanding Articles 19 and 20 above, the rights of the holders of Class A Ordinary Shares shall not be deemed varied by the creation or issue of shares with preferred or other rights, which may be effected by the Directors as provided in these Articles without any vote or consent of the holders of Class A Ordinary Shares.

COMMISSION ON SALE OF SHARES

22. The Company may in so far as the Statutes from time to time permit pay a commission to any person in consideration of his subscribing or agreeing to subscribe whether absolutely or conditionally for any shares of the Company. Such commissions may be satisfied by the payment of cash or the lodgement of fully or partly paid-up shares or partly in one way and partly in the other. The Company may also on any issue of shares pay such brokerage as may be lawful.

NON-RECOGNITION OF TRUSTS

23. No person shall be recognised by the Company as holding any share upon any trust and the Company shall not be bound by or be compelled in any way to recognise (even when having notice thereof) any equitable, contingent, future, or partial interest in any share, or any interest in any fractional part of a share, or (except only as is otherwise provided by these Articles or the Statutes) any other rights in respect of any share except an absolute right to the entirety thereof in the registered holder.

LIEN ON SHARES

24. The Company shall have a first and paramount lien and charge on all shares (whether fully paid-up or not) registered in the name of a Member (whether solely or jointly with others) for all debts, liabilities or engagements to or with the Company (whether presently payable or not) by such Member or his estate, either alone or jointly with any other person, whether a Member or not, but the Directors may at any time declare any share to be wholly or in part exempt from the provisions of this Article. The registration of a transfer of any such share shall operate as a waiver of the Company's lien (if any) thereon. The Company's lien (if any) on a share shall extend to all dividends or other monies payable in respect thereof.
25. The Company may sell, in such manner as the Directors think fit, any shares on which the Company has a lien, but no sale shall be made unless some sum in respect of which the lien exists is presently payable nor until the expiration of 14 calendar days after a notice in writing, stating and demanding payment of such part of the amount in respect of which the lien exists as is presently payable, has been given to the registered holder for the time being of the share, or the persons entitled thereto by reason of his death or bankruptcy.
26. For giving effect to any such sale the Directors may authorise some person to transfer the shares sold to the purchaser thereof. The purchaser shall be registered as the holder of the shares comprised in any such transfer and he shall not be bound to see to the application of the purchase money, nor shall his title to the shares be affected by any irregularity or invalidity in the proceedings in reference to the sale.

27. The proceeds of the sale shall be received by the Company and applied in payment of such part of the amount in respect of which the lien exists as is presently payable, and the residue shall (subject to a like lien for sums not presently payable as existed upon the shares prior to the sale) be paid to the person entitled to the shares at the date of the sale.

CALLS ON SHARES

28. The Directors may from time to time make calls upon the Members in respect of any money unpaid on their shares, and each member shall (subject to receiving at least 14 calendar days notice specifying the time or times of payment) pay to the Company at the time or times so specified the amount called on his shares. A call shall be deemed to have been made at the time when the resolution of the Directors authorising such call was passed.
29. The joint holders of a share shall be jointly and severally liable to pay calls in respect thereof.
30. If a sum called in respect of a share is not paid before or on the day appointed for payment thereof, the person from whom the sum is due shall pay interest upon the sum at the rate of eight percent per annum from the day appointed for the payment thereof to the time of the actual payment, but the Directors shall be at liberty to waive payment of that interest wholly or in part.
31. The provisions of these Articles as to the liability of joint holders and as to payment of interest shall apply in the case of non-payment of any sum which, by the terms of issue of a share, becomes payable at a fixed time, whether on account of the amount of the share, or by way of premium, as if the same had become payable by virtue of a call duly made and notified.
32. The Directors may make arrangements on the issue of shares for a difference between the Members, or the particular shares, in the amount of calls to be paid and in the times of payment.
33. The Directors may, if they think fit, receive from any member willing to advance the same all or any part of the moneys uncalled and unpaid upon any shares held by him, and upon all or any of the moneys so advanced may (until the same would, but for such advance, become presently payable) pay interest at such rate (not exceeding without the sanction of an Ordinary Resolution, eight percent. per annum) as may be agreed upon between the Member paying the sum in advance and the Directors. No such sum paid in advance of calls shall entitle the member paying such sum to any portion of a dividend declared in respect of any period prior to the date upon which such sum would, but for such payment, become presently payable.

FORFEITURE OF SHARES

34. If a Member fails to pay any call or instalment of a call on the day appointed for payment thereof, the Directors may, at any time thereafter during such time as any part of such call or instalment remains unpaid, serve a notice on him requiring payment of such much of the call or instalment as is unpaid, together with any interest which may have accrued.
35. The notice shall name a further day (not earlier than the expiration of 14 calendar days from the date of the notice) on or before which the payment required by the notice is to be made, and shall state that in the event of non-payment at or before the time appointed the shares in respect of which the call was made will be liable to be forfeited.
36. If the requirements of any such notice as aforesaid are not complied with, any share in respect of which the notice has been given may at any time thereafter, before the payment required by notice has been made, be forfeited by a resolution of the Directors to that effect.
37. A forfeited share may be sold or otherwise disposed of on such terms and in such manner as the Directors think fit, and at any time before a sale or disposition the forfeiture may be cancelled on such terms as the Directors think fit.
38. A person whose shares have been forfeited shall cease to be a Member in respect of the forfeited shares, but shall, notwithstanding, remain liable to pay to the Company all moneys which at the date of forfeiture were payable by him to the Company in respect of the shares, but his liability shall cease if and when the Company receives payment in full of the fully paid up amount of the shares.

39. A statutory declaration in writing that the declarant is a Director of the Company, and that a share in the Company has been duly forfeited on a date stated in the declaration, shall be conclusive evidence of the facts therein stated as against all persons claiming to be entitled to the share. The Company may receive the consideration, if any, given for the share or any sale or disposition thereof and may execute a transfer of the share in favour of the person to whom the share is sold or disposed of and he shall thereupon be registered as the holder of the share, and shall not be bound to see to the application of the purchase money, if any, nor shall his title to the share be affected by any irregularity or invalidity in the proceedings in reference to the forfeiture, sale or disposal of the share.
40. The provisions of these Articles as to forfeiture shall apply in the case of non-payment of any sum which by the terms of issue of a share becomes due and payable, whether on account of the amount of the share, or by way of premium, as if the same had been payable by virtue of a call duly made and notified.

REGISTRATION OF EMPOWERING INSTRUMENTS

In the case of a share registered in the name of two or more holders, the survivors or survivor, or the legal personal representatives of the deceased survivor, shall be the only person recognised by the Company as having any title to the share.
43. Any person becoming entitled to a share in consequence of the death or bankruptcy of a Member shall upon such evidence being produced as may from time to time be properly required by the Directors, have the right either to be registered as a member in respect of the share or, instead of being registered himself, to make such transfer of the share as the deceased or bankrupt person could have made. If the person so becoming entitled shall elect to be registered himself as holder he shall deliver or send to the Company a notice in writing signed by him stating that he so elects.
44. A person becoming entitled to a share by reason of the death or bankruptcy of the holder shall be entitled to the same dividends and other advantages to which he would be entitled if he were the registered holder of the share, except that he shall not, before being registered as a Member in respect of the share, be entitled in respect of it to exercise any right conferred by membership in relation to meetings of the Company, provided however, that the Directors may at any time give notice requiring any such person to elect either to be registered himself or to transfer the share, and if the notice is not complied with within 90 calendar days, the Directors may thereafter withhold payment of all dividends, bonuses or other monies payable in respect of the share until the requirements of the notice have been complied with.

46. Subject to these Articles, the Company may by Ordinary Resolution:
- (a) consolidate and divide all or any of its share capital into shares of larger amount than its existing shares;
 - (b) sub-divide its existing shares, or any of them into shares of a smaller amount provided that in the subdivision the proportion between the amount paid and the amount, if any unpaid on each reduced share shall be the same as it was in case of the share from which the reduced share is derived;

47. The Company may by Special Resolution reduce its share capital and any capital redemption reserve in any manner authorized by law.
48. All new shares created hereunder shall be subject to the same provisions with reference to the payment of calls, liens, transfer, transmission, forfeiture and otherwise as the shares in the original share capital.

If the Register of Members shall be so closed for the purpose of determining those Members that are entitled to receive notice of, attend or vote at a meeting of Members such register shall be so closed for at least 10 calendar days immediately preceding such meeting and the record date for such determination shall be the date of the closure of the Register of Members.
